V. REPORTS

A. President Charles J. Ping

Dr. Ping expressed appreciation to the Lancaster and Chillicothe deans, faculty and staff for their programs of introduction to their campuses and their hospitality. He stated that the year had started well financially and enrollment-wise. He reminded those present that the 175th anniversary celebration had officially terminated with September 27-29 homecoming events, of which, for the first time, the President's Convocation on September 28 had been a part. The address, he reported, had been mailed to trustees. He characterized the health of the University as good.

B. Provost Neil Bucklew

Dr. Bucklew distributed the enrollment report which follows. He described the report as a healthy one, reflecting hard work and commitment on the part of many people in promoting the University.

C. Vice Provost for Regional Higher Education, James Bryant

Dr. Bryant described the "Weekend College" being conducted on the Belmont Campus. Describing it as a program that had excited him as no other program had, he in turn introduced Professor and Mrs. Victor Rutter and Mrs. Betty Menson, who elaborated on this associate degree program directed at a new market segment of students, the non 18-22 year olds, and delivered in a way adaptable to their needs. They stressed that it was a pilot program subject to rigorous review. They expressed the hope that it might be extended to other areas. A brochure describing the program is appended to the official minutes.

D. President Ping

Dr. Ping gave a progress report on the General Education Project, describing its approval as potentially the most significant development of his tenure to date. He described it as a very ambitious and challenging program.
