CONSENT TO PARTICIPATE FORM (Form 1 of 2)

As an Ohio University (OHIO) employee or spouse/partner of an OHIO employee enrolled in the health benefits, I desire to participate in Ohio University's Healthy OHIO Health Risk Appraisal program. I understand how the program works and have been provided information either in person, via email, or on the website https://www.ohio.edu/wellworks/healthyohio.

I hereby give my knowing and voluntary consent to Ohio University's *Well*Works to collect my health information and to perform certain health risk appraisal screenings, including a biometric screening performed by my physician. I hereby give permission for my primary healthcare provider to complete the Physician Screening Form and return it to WellWorks to be used for my participation in Healthy OHIO. The health information being collected includes height, weight, blood pressure, waist circumference, and blood work including cholesterol, triglycerides, and blood glucose. This information will be used to inform me of my current health status; by *WellWorks,* in aggregate, to evaluate the health and wellness of OHIO employees/spouses/partners; and, to determine future programming offered by *WellWorks*.

My information will be collected by *WellWorks* as the program facilitator. *WellWorks* will share my information only with me and the University's Human Resources Benefits Office as minimally necessary (my name, employee ID, and benefit/reward) to facilitate the wellness program and my health plan benefits and rewards. *WellWorks* and Human Resources will store my information in a HIPAA compliant manner.

I acknowledge that the screening and appraisal do not substitute for the care of my primary care physician, and that it is my option and responsibility to share any results with my physician as the results will only be provided to me. I understand that it is my responsibility to follow-up with my physician regarding any abnormal lab/biometric results.

In consideration of my participation in this program, I hereby release and forever discharge Ohio University, its officers, agents, sponsors, representatives and employees from any responsibility or liability for claims arising out of any injury that I may experience or damage that I may incur as a result of my participation in this program. Further, I hereby assume all risks involved in any wellness activities and acknowledge that Workers Compensation benefits are not extended to me in my capacity as a wellness program participant. This release shall be binding on my agents, heirs, administrators, and assigns.

I acknowledge that *WellWorks* provides accommodations for the program and understand that if I need an accommodation to participate, I am to email access@ohio.edu.

I attest that I have been informed of any and all risks involved in participating in the program.
