Alma Mater, Ohio

When e'er we take our book of mem'ries
And scan its pages through and through
We'll find no days that glow so brightly
As those we spent at old O.U.
Within our Alma Mater's portals
We meet her children hand to hand
And when there comes the day of parting,
Still firm and loyal we will stand

Alma Mater, Ohio,
Alma Mater, brave and fair!
Alma Mater, we hail thee,
For we own thy kindly care.

Alma Mater, Ohio,
When we read thy story o'er,
We revere thee and cheer thee
As we sing thy praise once more.

Our Alma Mater calls us ever,
And love of country has its claim,
The one but makes us prize the other,
And thus we cherish both the same.
When Alma Mater sends us forward,
And in her name we stand in line,
Then we will serve the nation better,
For having gathered at her shrine.

Words and music by Kenneth S. Clark.

*Written in 1915 and awarded first prize in the Alma Mater
Song Contest conducted by Edwin W. Chubb, Dean,
College of Liberal Arts.*

JOHN A. ROUSH

John Roush was named as the 20th president of Centre College in 1998, retiring in 2020. During his 22-year tenure, Centre College saw unprecedented expansion and success, including the launch of a \$120 million capital campaign. Roush earned a bachelor’s degree in English from Ohio University’s Honors College in 1972 and completed his formal education at Miami University, earning his master’s degree in 1973 and Ph.D. in 1979.

ACADEMIC Heraldry

The caps, gowns, and hoods worn today in these Commencement Exercises are patterned after the attire of monks and students in the Middle Ages. Those who have earned bachelor’s degrees wear gowns with a semi-stiff yoke, long pleated front, intricate shirring across the shoulders and back, and long, pointed sleeves. The holder of a master’s degree wears a similar gown, with long or short oblong sleeves that hang down in the traditional manner and open at the wrist.

Those possessing the doctoral degree wear gowns with broad velvet panels down the front and three velvet bars on the full, round, open sleeves. This velvet trimming may be either black or the color of the distinctive field of learning represented by the degree. Most of the color and meaning of the costume is found in the hoods. These are silk-lined with the color or colors of the institution conferring the degree. As can readily be observed, the official colors of Ohio University are green and white. The border of the hood is velvet and its color signifies the field of learning to which the degree pertains:

CEREMONIAL MACE

For centuries, the mace has been used as a symbol of authority. Today, it represents the authority of monarchs, legislatures, and universities around the world. Designed by the late Professor of Art David R. Klahn, the Ohio University Ceremonial Mace is modeled after the balustrades of an original stairway of Cutler Hall, the oldest building on the Athens campus. It features the University seal and a stylized representation of the Cutler Hall cupola. The mace is carried and displayed during official ceremonies at Ohio University, including Commencement.

THE SEAL of Office

Worn by the president at official Ohio University functions, the Seal of Office also was designed by the late Professor Klahn. Fabricated of silver and bronze, the primary medallion features a silhouette of Cutler Hall, the date of Ohio University’s founding (1804), and the words, “Ohio’s First University.” The secondary medallion, at the back of the chain, is the University seal. Smaller medallions, replicas of the two center portions of the University seal, are interspersed alternately with the chain’s links. The Seal of Office was created for the inauguration of President Emeritus Robert Glidden in 1994 and will be passed on to future presidents of Ohio University.

HONORS Information

HONOR CORDS

Undergraduates who are graduating with honors are wearing honor cords. Those who are graduating with honor, or cum laude (accumulative grade point average of 3.5 to 3.749), are wearing bronze cords; those graduating with high honor, or magna cum laude (3.75 to 3.899), are wearing silver cords; and those graduating with highest honor, or summa cum laude (3.9 to 4.0), are wearing gold cords.

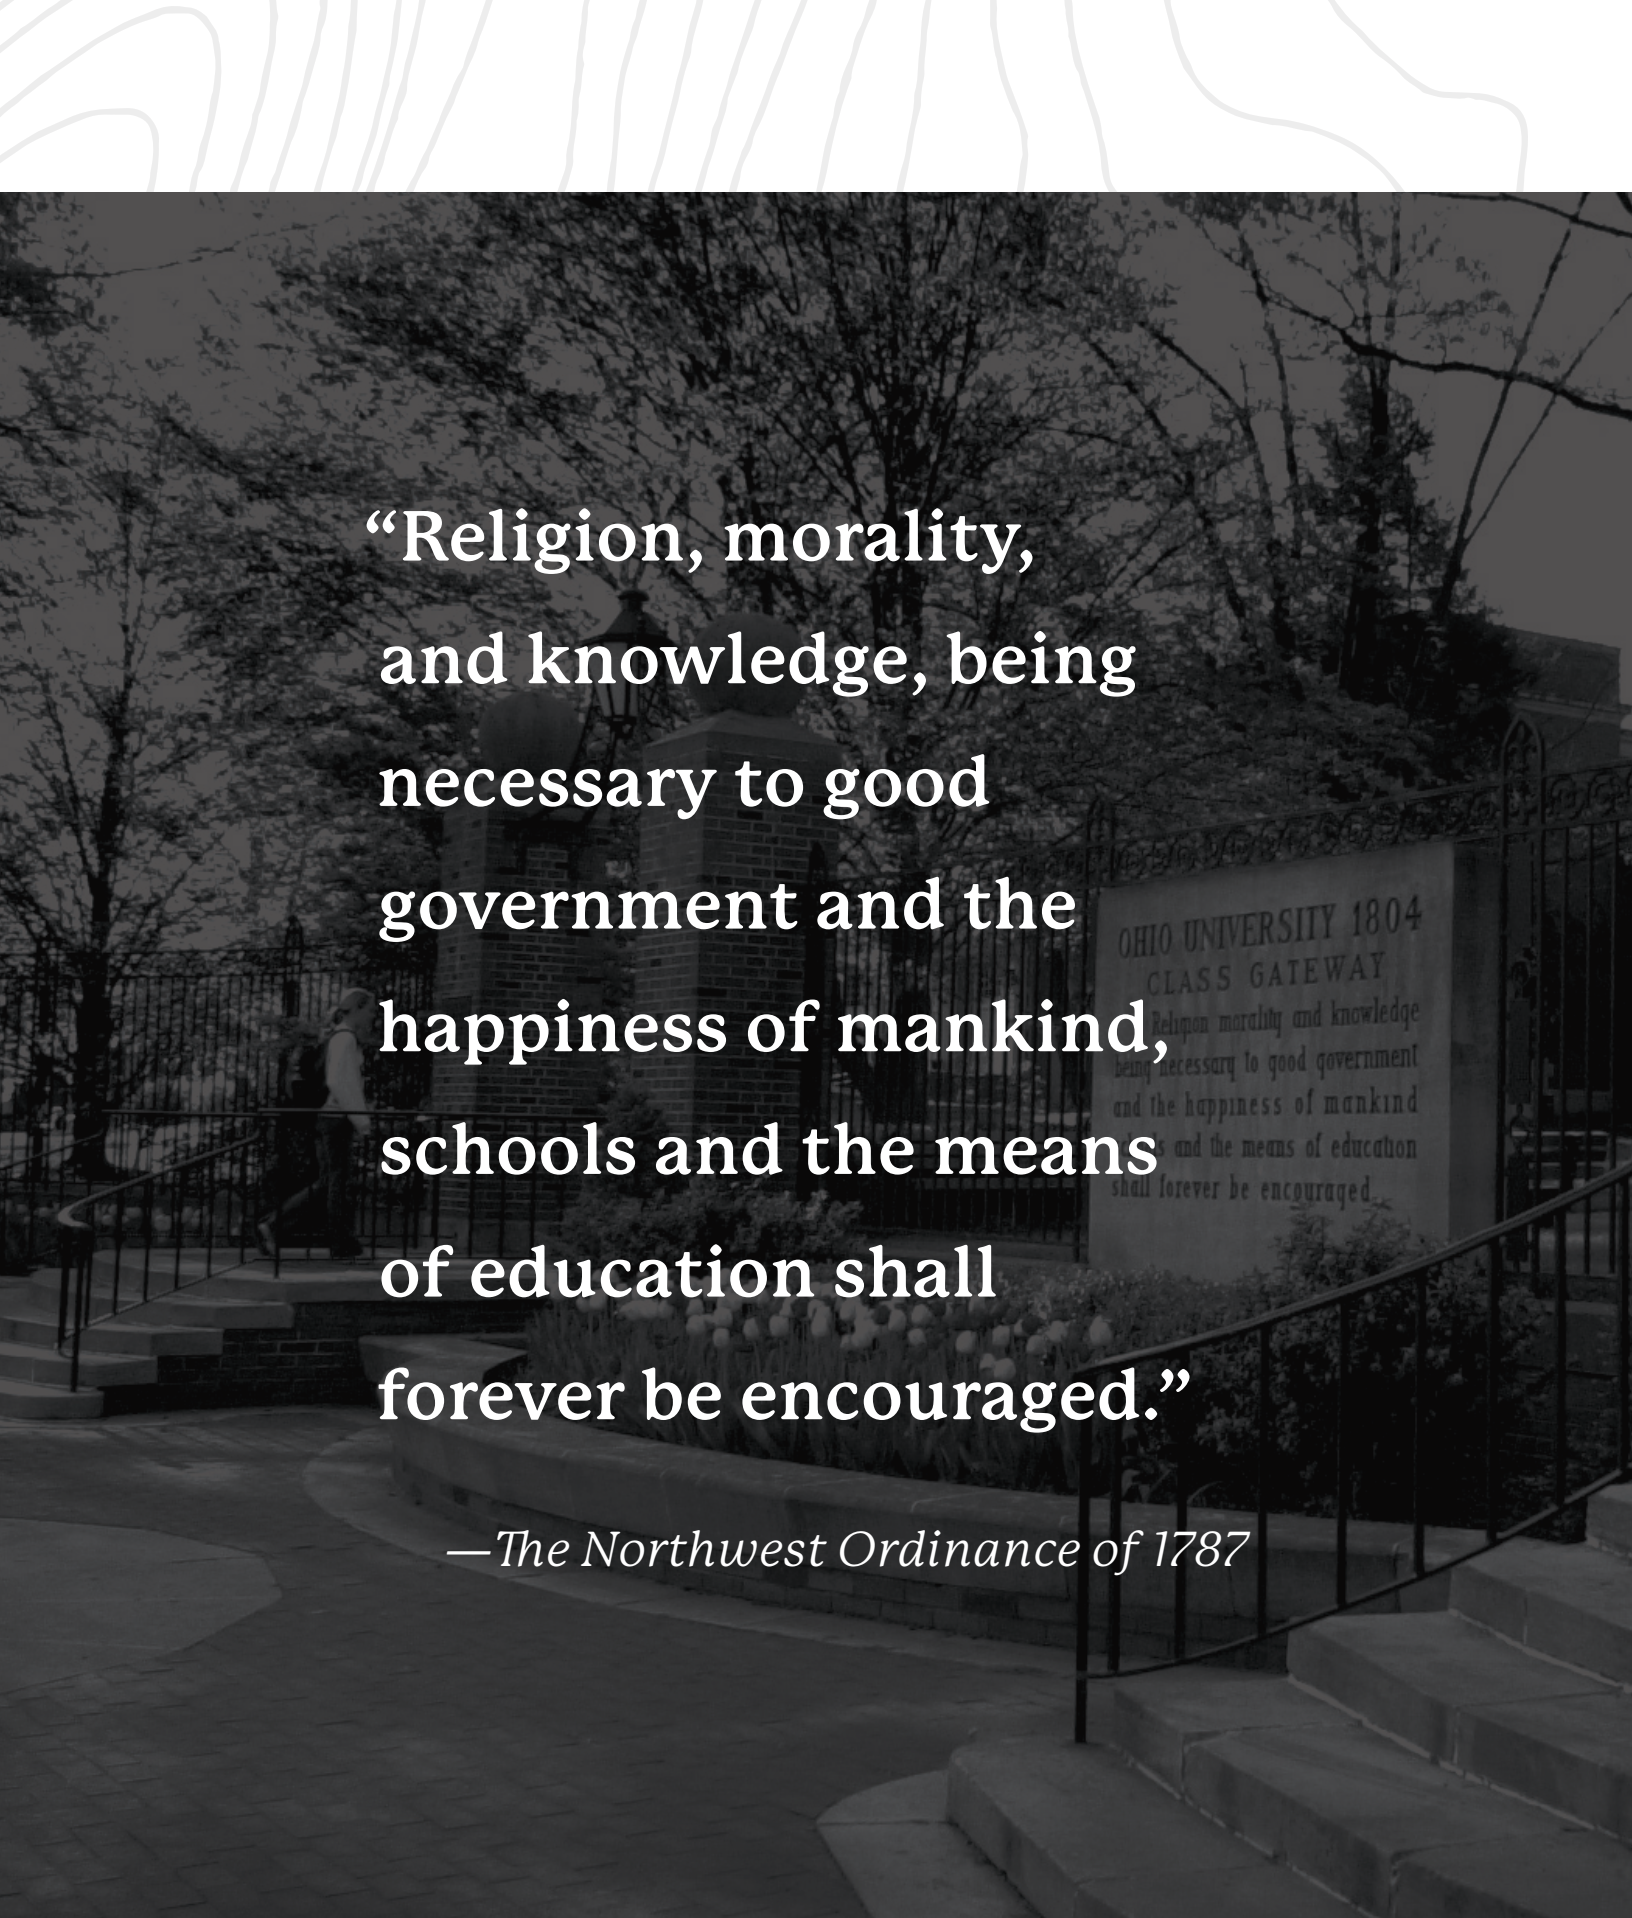

Students who graduate with honor must have completed 30 semester hours of coursework with letter grades in residence at Ohio University and must be completing a bachelor’s degree. Graduation with honor does not apply to recipients of associate’s or graduate degrees.

A special notation appears on the diploma and in the commencement program for students who graduated with honors.

OHIO HONORS

The OHIO Honors Program expands on traditional honors education by adding a focus on experiential learning. OHIO Honors students take on challenging coursework throughout their undergraduate experience, but also apply their learning in the real world through internships, partnerships with community organizations, hands-on research, and other co-curricular activities. Students complete an average of two honors experiences per semester, about half in the classroom and half in other settings where they can apply their learning to different contexts. Designed to complement any major, the program connects students with fellow scholars across the university to explore ideas and issues from a wide range of perspectives.

Undergraduates who are graduating with OHIO Honors appear with a special notation on their diploma and in the Commencement program. Students who have completed 6-11 honors experiences receive OHIO Honors designation. Students who have completed 12 or more experiences receive OHIO High Honors designation.

“Religion, morality,
and knowledge, being
necessary to good
government and the
happiness of mankind,
schools and the means
of education shall
forever be encouraged.”
