You have left your mark on this University, and now you carry OHIO with you, forever.

Congratulations, Class of 2026. We are proud of you, and we look forward to all that you will accomplish.

Alma Mater, Ohio

When e'er we take our book of mem'ries
And scan its pages through and through
We'll find no days that glow so brightly
As those we spent at old O.U.
Within our Alma Mater's portals
We meet her children hand to hand
And when there comes the day of parting,
Still firm and loyal we will stand

Alma Mater, Ohio,
Alma Mater, brave and fair!
Alma Mater, we hail thee,
For we own thy kindly care.

Alma Mater, Ohio,
When we read thy story o'er,
We revere thee and cheer thee
As we sing thy praise once more.

Our Alma Mater calls us ever,
And love of country has its claim,
The one but makes us prize the other,
And thus we cherish both the same.
When Alma Mater sends us forward,
And in her name we stand in line,
Then we will serve the nation better,
For having gathered at her shrine.

Words and music by Kenneth S. Clark.

COMMENCEMENT Speaker

DR. PAUL SHOVLIN

*Assistant Professor and Director of Composition,
College of Arts and Sciences*

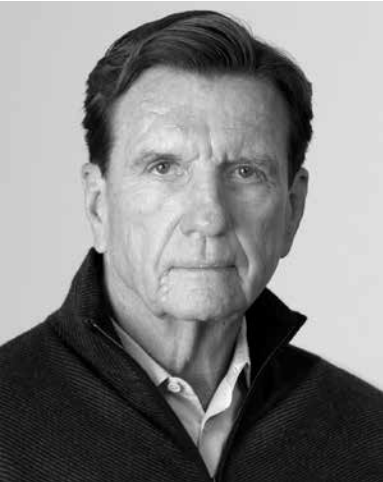

Dr. Paul Shovlin is an assistant professor of English at Ohio University, where his teaching and scholarship focus on artificial intelligence and digital rhetorics.

He has served the University in a number of important leadership roles, including Director of Composition for English, co-chair of a presidential subcommittee supporting the Dynamic Strategy and as a leader of faculty learning communities exploring the implications of artificial intelligence in higher education. Dr. Shovlin has also played a key role in the Center for Teaching, Learning, and Assessment's AI Course Redesign Institute, helping faculty thoughtfully integrate emerging technologies into their teaching.

His scholarship spans writing program administration, generative AI and American pulp writers of the 1930s, alongside a body of creative work that reflects a wide-ranging intellectual curiosity. He is also a Returned Peace Corps Volunteer, having served in Moldova from 1996 to 1998.

Dr. Shovlin is deeply respected for his commitment to teaching and mentorship. As the 2025 recipient of the Outstanding Faculty Award, an honor determined by graduate students, he exemplifies the dedication, care and academic excellence that define the very best of OHIO.

COMMENCEMENT Speaker & HONORARY DEGREE Recipient

May 2, 2026

LARRY CONNOR
Distinguished Alumnus, Entrepreneur and Private Astronaut

Larry Connor is an entrepreneur, private astronaut, investor and modern-day explorer. He founded The Connor Group, a real estate investment firm with more than \$5 billion in assets that owns and operates luxury apartment communities across 17 U.S. markets. The company earned recognition from USA Today in 2026 as a top workplace nationally.

Connor is defined by three pursuits: building businesses, exploring and helping others.

He leads The Connor Group Kids & Community Partners, a private nonprofit foundation dedicated to breaking the cycle of generational poverty. The foundation takes an activist approach by designing, investing in, and directly building programs. To date, it has committed \$152 million, including founding The Greater Dayton School, Ohio’s first private, nonreligious school for under-resourced students, built from the ground up.

In 2021, he completed a deep-sea research dive to the Mariana Trench. A year later, he served as mission pilot for Ax-1, the historic mission to the International Space Station. The flight made him the first private astronaut pilot in history and one of only three people to reach both Earth’s deepest point and space. In 2023, he led a record-breaking HALO skydive with U.S. Air Force Pararescue Specialists, raising more than \$1 million to fund education for children of fallen Special Operations soldiers.

Connor’s work across business, exploration and nonprofit investment reflects one conviction: that achievement is most meaningful when it opens doors for others. He is honored to share that perspective with the graduating class at Ohio University.

ACADEMIC Heraldry

The caps, gowns and hoods worn today in these Commencement Exercises are patterned after the attire of monks and students in the Middle Ages. Those who have earned bachelor’s degrees wear gowns with a semi-stiff yoke, long pleated front, intricate shirring across the shoulders and back, and long pointed sleeves. The holder of a master’s degree wears a similar gown, with long or short oblong sleeves that hang down in the traditional manner and open at the wrist.

Those possessing the doctoral degree wear gowns with broad velvet panels down the front and three velvet bars on the full, round, open sleeves. This velvet trimming may be either black or the color of the distinctive field of learning represented by the degree. Most of the color and meaning of the costume is found in the hoods. These are silk-lined with the color or colors of the institution conferring the degree. As can readily be observed, the official colors of Ohio University are green and white. The border of the hood is velvet and its color signifies the field of learning to which the degree pertains:

Accountancy	Drab	Humanities	White
Anthropology	Gold	Journalism	Crimson
Arts	White	Literature	White
Auditory	Blue	Medicine	Hunter Green

CEREMONIAL MACE

For centuries, the mace has been used as a symbol of authority. Today, it represents the authority of monarchs, legislatures and universities around the world. Designed by the late Professor of Art David R. Klahn, the Ohio University Ceremonial Mace is modeled after the balustrades of an original stairway of Cutler Hall, the oldest building on the Athens campus. It features the University seal and a stylized representation of the Cutler Hall cupola. The mace is carried and displayed during official ceremonies at Ohio University, including Commencement.

THE SEAL of Office

Worn by the president at official Ohio University functions, the Seal of Office also was designed by the late Professor Klahn. Fabricated of silver and bronze, the primary medallion features a silhouette of Cutler Hall, the date of Ohio University’s founding (1804), and the words “Ohio’s First University.” The secondary medallion, at the back of the chain, is the University seal. Smaller medallions, replicas of the two center portions of the University seal, are alternately interspersed with the chain’s links. The Seal of Office was created for the inauguration of President Emeritus Robert Glidden in 1994 and will be passed on to future presidents of Ohio University.

HONORS Information

HONOR CORDS

Undergraduates graduating with honors are wearing honor cords. Those graduating with honor, or cum laude (accumulative grade point average of 3.5 to 3.749), are wearing bronze cords; those graduating with high honor, or magna cum laude (3.75 to 3.899), are wearing silver cords; and those graduating with highest honors, or summa cum laude (3.9 to 4.0), are wearing gold cords.

Students who graduate with honors must complete 30 semester hours of coursework with letter grades in residence at Ohio University and must complete a bachelor’s degree. Graduation with honors does not apply to recipients of associate or graduate degrees.

A special notation appears on the diploma and in the Commencement program for students who graduated with honors.

OHIO HONORS

The OHIO Honors Program expands on traditional honors education by adding a focus on experiential learning. OHIO Honors students take on challenging coursework throughout their undergraduate experience, but also apply their learning in the real world through internships, partnerships with community organizations, hands-on research and other co-curricular activities. Students complete an average of two honors experiences per semester, about half in the classroom and half in other settings where they can apply their learning to different contexts. Designed to complement any major, the program connects students with fellow scholars across the university to explore ideas and issues from a wide range of perspectives.

Undergraduates who are graduating with OHIO Honors appear with a special notation on their diploma and in the Commencement program.
