Unless otherwise approved, community restitution must be completed in Athens or Athens County with a **non-profit** organization by the given deadline with the exception of service hours completed during suspension. Suspended students may not complete these hours on campus without prior permission from Community Standards & Student Responsibility. **Court assigned service hours do not count toward Community Standards assigned service hours.** Failure to complete the assigned hours by the due date will result in a hold on your student account which will prevent you from registering for classes. In addition, if you were placed on disciplinary probation, all assigned conditions of sanction must be completed prior to the conclusion of your disciplinary probation period. Otherwise your disciplinary probation will remain in effect until everything has been completed. This completed form may be delivered to the Office of Community Standards and Student Responsibility, Baker University Center 349; mailed to Community Standards & Student Responsibility, One Park Place, Baker University Center 349, Athens, OH 45701-2979; faxed to 740.593.4613; or emailed to [communitystandards@ohio.edu](mailto:communitystandards@ohio.edu).
