### Survivor Advocacy Program

Advocacy services for student survivors of sexual assault, stalking, and relationship violence.

24 Hour Crisis Line: 740-597- SAFE (7233)

Email: survivor.advocacy@ohio.edu

*Confidential resource: Confidential resources are not required to report specific incidents to the Office of Equity and Civil Rights Compliance or any other investigating body and may not disclose any information without the permission of the student.
What To Expect from an Advocate

**CONFIDENTIALITY.**
Assurance that what you share will be kept private and confidential, barring any legal exceptions and/or your permission.

**RESPECT, EMPATHY, AND SUPPORT.**
Advocates are there to listen, not to pass judgment or investigate.

**A SURVIVOR-CENTERED APPROACH TO ADVOCACY.**
We acknowledge that you are the expert in your situation. Advocates have knowledge and experience to assist you in making informed choices, but those choices are yours and deserve to be respected.

Regardless of when an assault occurred, or when the dating/domestic violence or stalking began, the Survivor Advocacy Program is here to serve you and help you make informed decisions.

How We Can Help

If you have experienced sexual assault, dating or domestic violence, or stalking, you can contact the Survivor Advocacy Program to speak with an advocate trained in crisis intervention. Your health and safety are our primary concerns. During your conversation, the advocate will provide you with resources and information, allowing you to explore your options and make informed decisions on how to proceed.

IF YOU WISH TO SEEK MEDICAL ATTENTION...

an advocate can accompany you and provide you with personal support throughout the exam.

IF YOU WISH TO REPORT TO THE POLICE OR TITLE IX COORDINATOR...

an advocate can provide support throughout the reporting and interview process.

IF YOU CHOOSE NOT TO REPORT OR SEEK MEDICAL ATTENTION...

you can still utilize our services for crisis intervention, safety planning, accommodations, support, and referrals.

The Survivor Advocacy Program (SAP) seeks to provide support and advocacy services to student survivors of sexual assault, dating/domestic violence, and stalking. We work to increase survivors’ access to support and resources. SAP is staffed by two full-time, licensed professionals; a director of the program and a survivor advocate/case manager. The program is part of the Division of Student Affairs.
