

Allen Student Advising Center Turning Points Agreement

In addition to any requirements set forth by my college, I understand and agree that my participation in the Turning Points program requires that I:

- Meet weekly with my Turning Points advisor throughout the semester (including finals week).
- Contact my Turning Points advisor at least 24 hours in advance if I need to reschedule a meeting. If I miss a scheduled meeting, I will also contact my advisor within 24 hours. *Missing two meetings will result in my removal from the Turning Points program. Should this occur, my college will be notified and my enrollment status may be affected.*
- Check my Ohio University email daily and respond to all Turning Points advisor communication within 24 hours.
- Read all information and complete all activities included on the Moving Forward website—www.ohio.edu/uc/moving-forward—as decided collaboratively by me and my advisor. I will also complete any additional readings and activities given to me by my Turning Points advisor.
- Provide a copy of the syllabus from each class I am enrolled in to my Turning Points advisor by the end of week one.
- Complete a Weekly Time Schedule every week, which will include a minimum of 15 hours of studying. I will have this schedule with me for my meetings with my Turning Points advisor.
- Meet with my academic advisor during advising/registration to plan my courses for next term.
- Register for courses at my designated time in accordance with the recommendations made by my college and/or academic advisor.
- Participate in additional programs or workshop required by my Turning Points advisor. These may include, but will not be restricted to the Academic Achievement Center (AAC), Counseling & Psychological Services (CPS), and the Career and Leadership Development Center (CLDC).

By signing below, I acknowledge and understand the requirements of the Turning Points program, and that failing to meet the above requirements may result in my removal of the Turning Points program.
