

## **Disability Documentation Form**

Student Accessibility Services at Ohio University provides services and/or accommodation for students with disabilities intended to facilitate equal access to educational opportunities. To determine eligibility for services and/or accommodations, current and comprehensive documentation regarding a physical or mental condition and its impact on the student's function is required from a licensed medical professional qualified to diagnose and treat the particular condition(s).

**I request that this form be completed and returned, along with any supporting documentation regarding my condition, to Student Accessibility Services.**
