REGISTER

Ohio Business Certification Programs
April 30, 2020 | 10:00 a.m.–12:00 p.m.
Learn how MBE, EDGE, and VBE certification can assist businesses in competing for contracts with state agencies, boards, commissions, colleges and universities. Learn about the benefits, eligibility requirements, available processes, and review the supporting documents required to apply for certification. Learn how to identify which agencies purchase what you supply, key agency contacts, how bids are posted, and how best to present yourself for those opportunities.
REGISTER

Cyber Security
May 7, 2020 | 10:30 a.m.–11:30 a.m.
This training will emphasize how to guard against low-tech penetration methods, such as tailgating, badge copying and USB dropping through continuous monitoring training and vigilance. It will cover seven of the national CMMC domains, such as access control, physical protection and system/communications protection, which will focus mostly on physical security.
REGISTER

Take Your Business Online
May 14, 2020 | 10:00 a.m.–12:00 p.m.
Learn why this is important and what platforms are best for your business.
REGISTER

Beta.SAM.GOV
May 21, 2020 | 10:00 a.m.–12:00 p.m.
The General Service Administration is consolidating seven federal legacy systems and is combining them into a single platform. Learn about how this will impact your business.
