Dear Community Member:

Do you know a woman who has made a significant contribution to our community? If so, please nominate her for one of the annual Women of Achievement awards that recognize individuals for their contributions in educational, volunteer, managerial, or professional roles.

This year marks the 28th anniversary of the Women of Achievement program. More than 190 women have been recognized and we are excited to have others join this prestigious group of community leaders. The enclosed nomination form and information sheet will assist you in submitting nominations. I have also enclosed a list of past recipients for your review as you consider other outstanding women to nominate. These forms are also available at www.ZaneState.edu/WOA.

The Women of Achievement Event Committee encourages you to support this recognition program by nominating candidates by Wednesday, February 10, 2016. A panel of judges made up of past recipients and community leaders will select honorees. The judges will select recipients based on the information you provide that meets the criteria and standards of selection. Be sure to provide specific information as to why your candidate should be honored.

The honorees will be inducted in the Academy of Women of Achievement at a dinner ceremony held on Wednesday, April 13, 2016, at the Ohio University Zanesville/Zane State College Campus Center, 1555 Newark Road. I have also enclosed a sponsorship and dinner reservation form for your consideration.

Ohio University Zanesville and Zane State College are pleased to continue partnering with the Muskingum Family Y on this wonderful event. Please contact me with questions you have regarding Women of Achievement at shaw@ohio.edu or 740.588.1565.

Thank you for continuing a tradition of recognition of women contributing to the quality of life in Muskingum County.

Sincerely,

Christine Shaw
